Scoring:

Standard time will be set by the competitor finishing second in each class, whether registered for the Championship or not, who will be deemed to have scored 100 points. All other places in the classes will be calculated on a percentage of the second place time, up to a maximum of 104 points.

Example

	Class Position	Time	Points Awarded
If there is only one starter in any class, the points awarded for completing at least one timed run will be 99 points. If there are two starters in a class, the maximum points awarded to the class winner shall be 101 points, for completing at least one timed one.	1 st	50.12 secs	101.08
	2 nd	50.66 secs	100.00
	3 rd	52.46 secs	96.57
	4 th	52.93 secs	95.71

Merged classes:

Competitors will be scored as if they had not been merged. All competitors from the merged class will have their scores calculated individually; i.e. two competitors are merged into a higher class, those two competitors will have their scores worked out as if they still were in a class of their own.

A bike may only be entered in its correct class for the meeting, i.e. – capacity, category and eligibility.

Points scored in the Championship will be gained from the contender's **Best Nine** events to determine the Championship placing. In the event of a tie the final placings and awards will be determined by the following criteria:

- i. The contender with the highest number of class wins
- ii. If a tie still persists then all the timed runs of each the individual tying contenders in the last event of the season will be added together to give an aggregate score, divided by the number of timed runs and expressed as a percentage of that competitor's best timed run. The competitor with the percentage figure closest to 100% shall be declared the winner of the tie. Should any tying competitor decline to undertake or fail to compete any of the timed runs of the last event of the season, the tie shall be decided in favour of the other competitor(s), using the above method. Should any timed run be unable to be completed by all tying competitors due to unforeseen external

circumstances (accident, bad weather, lack of daylight, etc), that run shall be declared void for the purposes of tie-deciding.

Example:

	Run 1	Run 2	Run 3	Best	
A	70.87	70.26	71.01	70.26	(212.14/3 = 70.713/70.26 x 100 = 100.645%)
B	61.02	61.02	60.40	60.40	(182.44/3 = 60.813/60.40 x 100 = 100.683%)
C	75.23	74.83	74.17	74.17	(224.23/3 = 74.743/74.17 x 100 = 100.772%)

An appeal against points awarded (or not awarded) in the Championship must be lodged with the Championship co-ordinator within seven days of the first publication of the points under dispute, in any official document (Championship results, Club website and/or Club newsletter). Final results will be communicated to all contenders by 30th November 2008.
