16. Start. Competitors will be called forward to the Holding Bay in the Paddock by the Start Line Marshals in Class and number order. Drivers will be under Starter's Orders when instructed by an official to proceed towards the Start Line. Competitors will be expected to come to the start line in class and number order and if a competitor takes undue time to comply, the Clerk of the Course or responsible official may specify that he come forward within 2 minutes or he will forfeit his run. Competitors will start singly in their own time after the green light. If a competitor stalls the engine or makes an unsatisfactory start, they may be permitted to make a re-start provided that neither of the rear wheel centres have crossed the Start Line. If in such a case, a competitor is not ready to re-start immediately the run shall be considered failed and the car shall return slowly to the Paddock without being timed. Timing will be by electronic beam and chequered boards will indicate the finish. At the end of each run competitors will be brought back to the paddock in batches under control of the course car.

17. Competitors will have the opportunity of 2 Practice runs plus a convoy run for competitors who have not previously competed on the course. Practice will be taken in class order. A competitor who does not present himself in time for a practice run may forfeit that run. A competitor who takes only one practice run will have to count their first run as their second practice run.

18. Where an entered car is to be shared by two drivers, this must be indicated by completing the appropriate section on the entry form. During the timed runs, the number two drivers will run in the following batches.

19. Competitors will be identified by numbers as laid down by the MSA Technical Regulation, these numbers WILL NOT be provided by the organisers. When two drivers compete in the same car, two sets of suitable numbers must be provided by the entrant. Cars will not be permitted to run with two sets of numbers displayed at the same time. It will be the responsibility of the competitors sharing a car to see that their car is ready, carrying the correct number.

20. Cars running in the Road Modified Classes are only permitted tyres defined in the 2007 MSA General Regulations, R 3.1.I List 1A or 2008 MSA General Regulations, C(e).15 List 1A. Competitors must only warm tyres in the designated area to be advised on event day. Failure to comply will result in the immediate exclusion of the competitor.

21. Marking and Penalties will be as printed in the appropriate section of the MSA General Regulations.

22. Judges of Fact: Timekeepers and Starters will adjudicate on unsatisfactory or false starts (I.37-38). Championship Stewards and all named officials will adjudicate as Judges of Fact on not following the correct course, or touching markers, baulking, noise (I.46).

23. Any protests must be lodged in accordance with the 2008 MSA Yearbook C(d).45-59.

24. All other General Regulations of the MSA apply as written.

Decanting of fuel must be carried out using a funnel and drip tray, in the open and away from sources of ignition.

OIL OR PETROL SPILLAGES Absorbent mats and drip trays must be in place at all times to prevent any spillage onto any tarmac surface or any other surface. All spillages must be reported to Race Control immediately. Failure to comply with this requirement may result in a £100 fine being imposed by the meeting officials.

WASTE DISPOSAL Competitors are required to bring containers or refuse bags to take away their own litter, or any other in the vicinity of their allocated parking space on departure. This includes the removal and safe and legal disposal of all waste oil, tyres and fuel containers. Charges levied for the disposal of any items not removed from the venue shall be charged to the competitor.

GENERATORS Only fully silenced generators may be run in the paddock, and then only between the hours of 9am and 11pm. Any competitor using a generator that is unduly noisy will be asked to turn it off immediately.

SPEED LIMITS The paddock is a crowded place and race vehicles must only be driven at walking pace to the assembly area and on the return route to the paddock. No competition vehicles must be driven outside the paddock area or on any approach roads to the paddock. Only the Competitor is permitted to drive their vehicle in the paddock. Other persons are not insured against third party claims.

BURN OUTS The spinning of rear wheels in the paddock, holding bay or starting area is strictly forbidden, and any competitor in breach of this regulation will be liable to exclusion.
